

# New Discovery

Today at the zoo you saw many different animals. Imagine that you are a famous zoologist. You have just discovered a new species of animal. Draw your animal.

A large, empty rectangular box with a thin black border, intended for drawing a new species of animal.

**Write or discuss the answers to the following questions about your new discovery.**

What is its name?

Where does it live?

What special adaptations does it have to live in its environment?

What does it eat?

What eats it?

What threats are there to its survival?

Most appropriate for grades 3 and 4.
