Location	School/Church/Clubs	Dates (list most recent first)

Do you have any conditions or restrictions of which we should be aware (allergies, medications, Etc...)?

Essay Questions

Please answer the following questions in your own words. Answers should be neatly printed or typed, with a maximum length of one page.

1. What career path are you considering pursuing and how do you envision your venture experience helping you achieve that goal? How do you see yourself in 10, 20 years and beyond? What character traits would you like to improve? What role would you like to play in improving your community and how do you anticipate your zoo experience contributing to making these visions a reality?
2. Tell us a time you have handled or trained an animal. What tools or equipment did you use to help accomplish your goals?
